

Name _____

Period _____

Directions: Use the periodic table in your textbook to complete the table.

Element Name	Symbol	Atomic Number	Atomic Mass	Number of Protons	Number of Electrons	Number of Neutrons
	O					
Sodium						
				17		
			58.9			
	K					
Mercury						
			196.96			
		6				
	Fe					
					54	
Barium						
				47		
			1.01			
	Ni					
					29	
			32.07
